## UPDATING REFERENCES TO CREDIT RATING AGENCIES

The following changes are made to the Base Prospectus for the purposes of updating the references to the ratings given to CADES:

- Paragraphs five and six of the cover page of the Base Prospectus are deleted and replaced by the following paragraphs:

"The Issuer has been assigned a rating of Aa2 (stable outlook) and P-1 by Moody's France S.A.S. ("**Moody's**") and AA (stable outlook) and A-1+ by S&P Global Ratings Europe Ltd ("**S&P**"), in respect of its long-term debt and short term debt, respectively. Obligations rated "Aa" by Moody's are judged to be of high quality and are subject to very low credit risk. The modifier "1" indicates that the obligation ranks in the higher end of this rating category. Issuers (or supporting institutions) given a rating of P-1 (Prime-1) have a superior ability to repay short term debt obligations. An obligation rated "AA" by S&P differs from the highest-rated obligations only to a small degree. The obligor's capacity to meet its financial commitment on the obligation is very strong.

Whether or not each credit rating applied for in relation to a relevant Tranche of Notes will be (1) issued or endorsed by a credit rating agency established in the EEA and registered or certified under Regulation (EC) No 1060/2009 of the European Parliament and of the Council of 16 September 2009 on credit rating agencies, as amended (the "**EU CRA Regulation**"), or by a credit rating agency which is certified under the EU CRA Regulation and/or (2) issued or endorsed by a credit rating agency established in UK and registered under Regulation (EU) No 1060/2009 as it forms part of domestic law of the United Kingdom ("**UK**") by virtue of the European Union (Withdrawal) Act 2018 (the "**UK CRA Regulation**") or by a credit rating agency which is certified under the UK CRA Regulation will be disclosed in the Final Terms. The list of credit rating agencies registered in accordance with the EU CRA Regulation is published on the European Securities and Markets Authority's website (the "**ESMA**") (<https://www.esma.europa.eu/supervision/credit-rating-agencies/risk>). As of the date of the Base Prospectus, Moody's and S&P are established in the European Union and registered under the EU CRA Regulation. In general, UK regulated investors are restricted from using a rating for regulatory purposes if such rating is not issued by a credit rating agency established in the UK and registered under the UK CRA Regulation or (1) the rating is provided by a credit rating agency not established in the UK but is endorsed by a credit rating agency established in the UK and registered under the UK CRA Regulation or (2) the rating is provided by a credit rating agency not established in the UK which is certified under the UK CRA Regulation. Tranches of Notes ("**Tranches**") issued under the Programme may be rated or unrated. Where a Tranche of Notes is rated, such rating will not necessarily be the same as the ratings assigned to the Notes. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning credit rating agency without notice."

- The paragraph entitled "Ratings" in the "General Description of the Programme" section on page 11 of the Base Prospectus is deleted and replaced by the following paragraph:

"The Issuer has been assigned a rating of Aa2 (stable outlook) and P-1 by Moody's France S.A.S. ("**Moody's**") and AA (stable outlook) and A-1+ by S&P Global Ratings Europe Ltd ("**S&P**"), in respect of its long-term and short-term debt, respectively. Tranches of Notes issued under the Programme may be rated or unrated. Where a Tranche of Notes is rated, such rating will not necessarily be the same as the ratings assigned to the Notes. The list of credit rating agencies registered in accordance with the EU CRA Regulation is published on the European Securities and Markets Authority's website (the "**ESMA**") (<https://www.esma.europa.eu/supervision/credit-rating-agencies/risk>). As of the date of the Base Prospectus, Moody's and S&P are established in the European Union and registered under the EU CRA Regulation. In general, UK regulated investors are restricted from using a rating for regulatory purposes if such rating is not issued by a credit rating agency established in the UK and registered under the UK CRA Regulation or (1) the rating is provided by a credit rating agency not established in the UK but is endorsed by a credit rating agency established in the UK and registered under the UK CRA Regulation or (2) the rating is provided by a credit rating agency not established in the UK which is certified under the UK CRA Regulation. The relevant Final Terms will specify whether or not such credit ratings are (1) issued or

endorsed by a credit rating agency established in the European Union, and registered under the EU CRA Regulation, or by a credit rating agency which is certified under the EU CRA Regulation and/or (2) issued or endorsed by a credit rating agency established in UK and registered UK CRA Regulation or by a credit rating agency which is certified under the UK CRA Regulation. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency without notice."

- The sub-paragraph entitled "2. Rating" of the paragraph "PART B - OTHER INFORMATION" in the "Form of Final Terms for use in connection with issues of notes with a denomination of less than €100,000 to be admitted to trading on an EEA regulated market (other than a regulated market, or specific segment of a regulated market, to which only qualified investors have access) and/or offered to the public on a non-exempt basis in the EEA" section on page 131 of the Base Prospectus and in the "Form of Final Terms for use in connection with issues of notes with a denomination of at least €100,000 to be admitted to trading on an EEA or UK regulated market and the legends in relation to the PRIIPs Regulation and MiFID II Product Governance" section on page 146 of the Base Prospectus are deleted and replaced as follows:
